1. Data: Vital statistics: name, picture, birthdate, height, weight, eye color, etc.

2. More Data: Degree(s), major, work experience, years, responsibilities, recognition, etc.

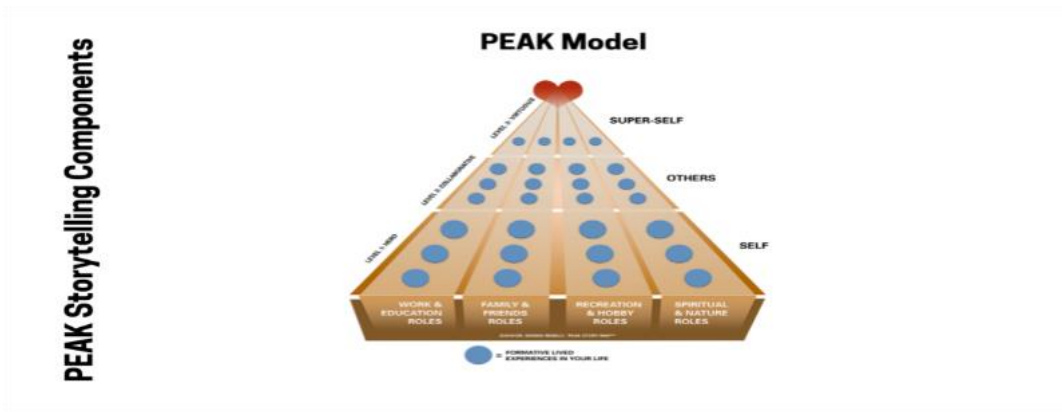

3. In-formation: Experiences that informed the 'I' internally:

Track Meet > Walden > Clyde > Classics > Pivot > Summit > Pivot > Quest > Voice/Audience

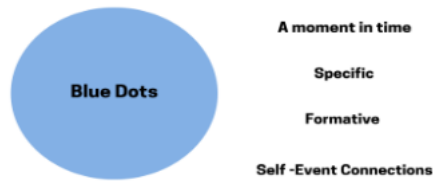

4. Odyssey Coaching Group: 'odyssey' and the *Odyssey*

5. StoryPathing PeakStorytelling Model

6. Formative experiences (= 'self' events)

7. StoryPathing is a relational skill on the basis of experiences rather than data

8. Tools: PeakStorytelling Model; *Story Like You Mean It*, Dr. Dennis Rebelo; NRG; OCG
